

Chicago Pet Rescue

Animal Adoption Application

Application REQUIREMENTS: Primary applicant must be at least 21 years of age and all current pets must be fixed/up to date on shots.

If you rent, own a condo or have other pets - please notify your landlord/condo association/vet that we will be calling them, **before** submitting this application then include their name and number below.

NOTE: The majority of adoptions do NOT occur same day. For all animals, we schedule an initial meet/greet within a half hour of Chicago zip code 60631. For dog applicants we require a home visit after your initial meet/greet so you must live less than 1 hour. There is no guarantee that an adoption will happen the same day or at all. If you live further then 1 hour we recommend you understand and are ok with coming out and possibly not adopting or having to come back a second time.
